WINGS & SWINGS

Linked together by the classy spirit of golf

Wings & Swings is a Classy Ladies' Golf Clothing Brand representing the spirit of a Modern Woman in Golf.

The most precious possession of our times is the freedom to live your life and to express your personality the way you want. This is especially crucial for us, Modern Women, who do not want to be framed by any social dogmas and who want to experience their life in all the possible aspects. Build the career, carry the ridiculously expensive purses in their hands, travel places, raise children, play golf, bake pies, build AI algorithms, stay housewives etc.

This idea is the religion of our Apparel Brand Wings & Swings. Having started as the classy Ladies' Golf Clothes Brand, we are pushing forward with our clothes to be used both on the course representing the charming elegant Golfer Lady, and off the course highlighting the bright individuality of the Sophisticated Woman.

Exactly the golf course should be the place where we feel free, wild, reckless and feminine at the same time. For this purpose, only our Apparels are needed.

Being Golfer Ladies, we forget for a little while our everyday routine, work issues, family obligations and give ourselves to the pleasure of new achievements and adventures. That is where the magic happens. That is the golf world as a separate universe where we discover ourselves from the completely new angle.

Wings & Swings Apparels are daring to show our Lady Golfers' real spirit, uniqueness and charm. Our Apparels are stylish, feminine, flamboyant and refined. As the Brand we have our Golfer Ladies saying "Hey, we know we are here to play golf and we are attractive women in it, so let's have a round!"

Wings & Swings Outfits are extremely feminine and sporty, charming and goal oriented, flashy and classy. The symbol of the Brand is a Dove holding a golf club symbolizing that in the game of golf only the kingdoms of friendship, peace, and communication rule; there is no religion, nationality, politics, age or gender differences.

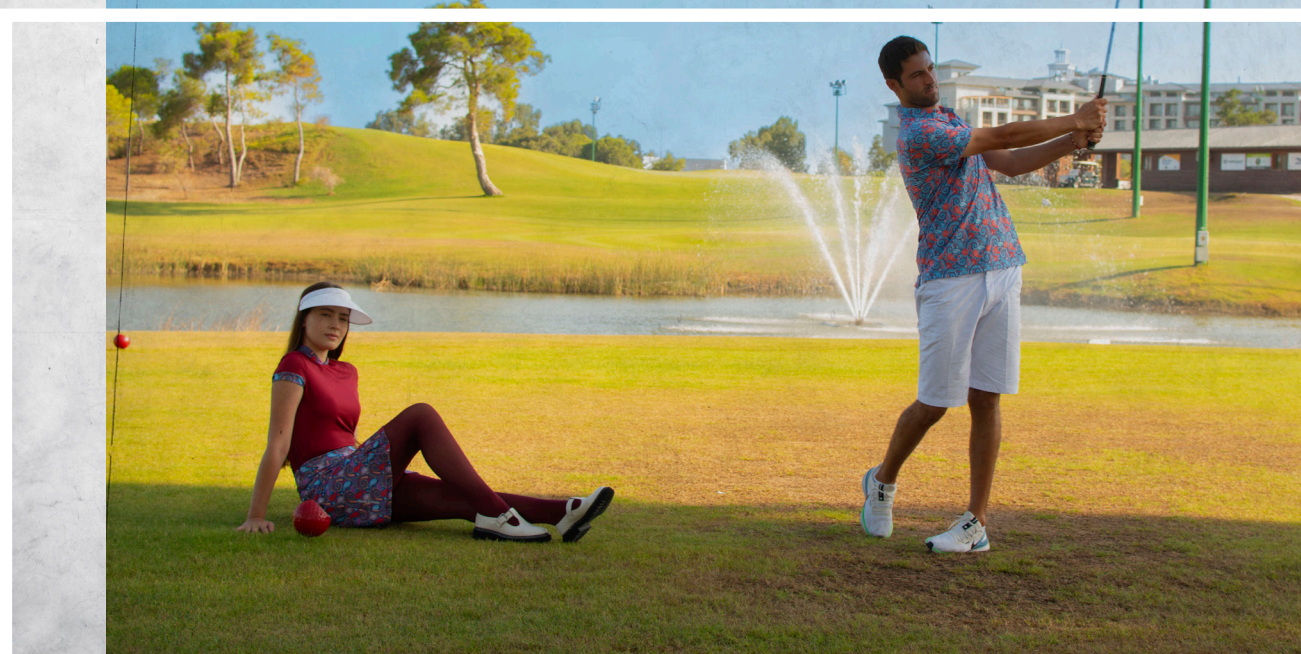

Every design and outfit are manufactured using the finest fabrics and material innovations from the best textile factories in Istanbul, Turkey. The Wings & Swings models' range is a collection of tailor-made outfits, which we believe, is the source of a Woman's growth in golf, complimenting her beauty and individuality.

OUR ROOTS

My name is Natalie Tsybulska-Lainchbury, I am the creative director and the owner of the company Wings & Swings. I am Ukrainian by origin residing in Antalya, Turkey.

I am an amateur golfer who has been also working in the sphere of golf business for 10 years having the company for golf tournament & event organization.

As one can imagine golf is my entire lifestyle. As a young and I like to think stylish independent woman, when I started playing golf, I noticed it was not always easy to find golf outfits for ladies which projected the image I saw for myself. I wanted stylish, classy, feminine and sporty all at the same time. World famous brands are beautifully crafted and I love the quality but the designs are all very similar. They can be seen everywhere and worn by everyone - and this is the absolute opposite what we, Women, want. What I was really searching for was golf clothes expressing my individuality and uniqueness.

The idea of special tailor-made golf clothes brand for ladies had been growing in my head for a long time and finally the decision was made – and I established my own company and brand Wings & Swings as a Ladies' Golf Apparel Line.

Living in Turkey, a country that is world renowned for its textiles and clothing manufacturing facilities, it was an easy place to start.

At the moment we are selling in 5 different countries and have started designing our clothes to be suitable for both on and off the course. The challenge ahead is still so exciting, and I hope our styles reflect how you want to appear and feel on the golf course. We are incorporating traditional with modern. The clothes are comfortable and practical. They enhance the beauty of a Woman and portray her individuality and dare I say sexiness.

Through Wings & Swings we are stretching the boundaries of ladies' golf fashion to achieve this. I do believe the bright future is ahead of us Ladies, so let's go for it!

WINGS & SWINGS PAISLEY COLLECTION

LUXURY IN GOLF

Wings & Swings Paisley Collection represents strong resistant and invincible Lady Golfer who is at the same time alluring with her charm and beauty. The Apparels from this Collection are bold and gentle, bright and elegant, feminine and sporty. The Collection is for real «la femme fatale» who is not afraid of her power and attraction, radiating them in all spheres of her life. Our Paisley Collection Apparels will give you confidence in your abilities to achieve everything you have ever wanted.

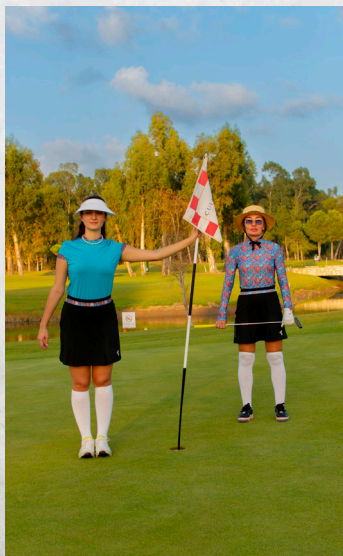

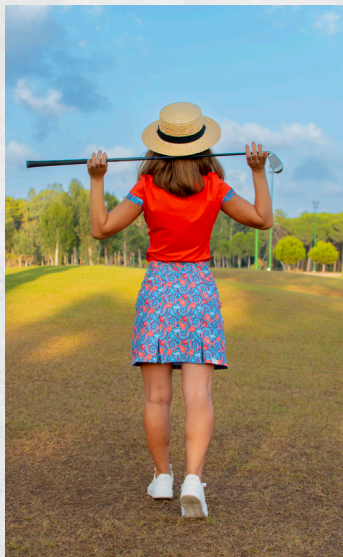

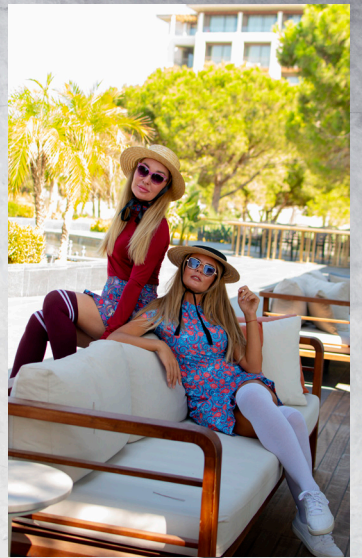

Paisley pattern is an ornamental textile design using a teardrop-shaped motif with a curved upper end. Originating from the Persian language from 224 AD, it is believed that the pattern was derived from the Zoroastrian symbol of a cypress tree combined with a floral spray. Paisley design represents life and fertility, strength and resistance but modesty. In Persia and Iran, the pattern was used to decorate royal regalia, crowns, and court garments. The popularity of the paisley print became prevalent in the West in the 16th century, famously associated with luxurious Kashmir shawls.

Wings & Swings Paisley Collection Models are named according to the Zoroastrian heritage representing strength and belief: Yasna ("pure", "clear", "noble"); Livinia ("strong", "independent"), Ianna ("gift from God"), Leon ("lion").

As Wings & Swings we are setting the new standards at ladies' golf look, with the deep meaning and alluring charm.

At the same time the Apparels are designed to deliver constant comfort on and off the course. The Performance Fit Outfits are made from fabrics that offer four-way stretch, moisture-wicking and easy-care benefits, and are supplied from the best textile factories in Istanbul, Turkey. The clothes keep you cool and comfortable. Fabric Contents: 90-95% polyester-polyamide / 5-10% Spandex.
